

Percentage of Seniors over 65 in 2010

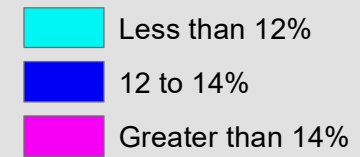

This map shows the US percentage of seniors over 65 compared to the total population in each state.

Alaska

0 500 1,000 2,000
Miles
1:100,000,000

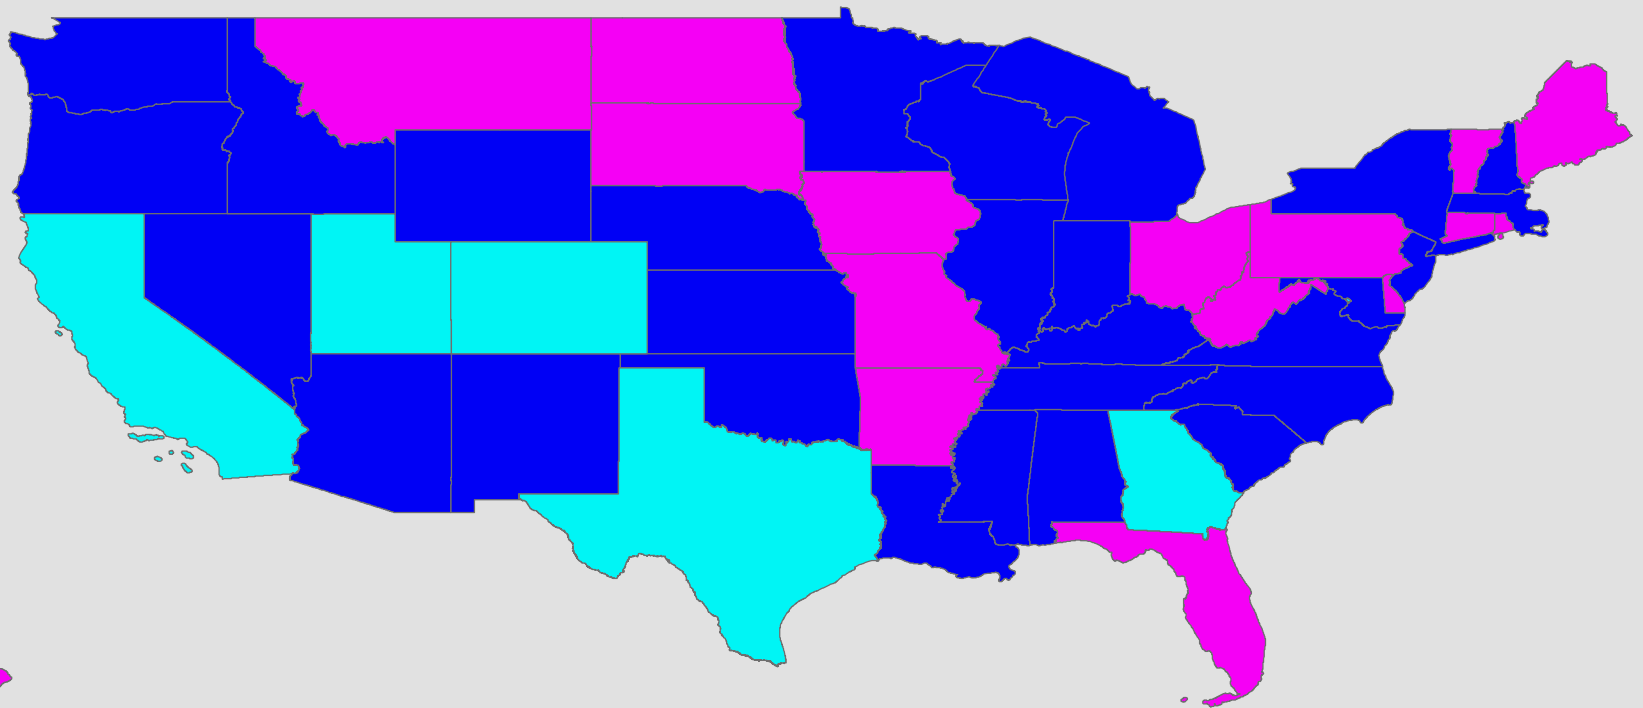

0 250 500 1,000
Miles
1:30,000,000

Hawaii

0 500 1,000
Miles
1:60,000,000

Coordinate System: NAD83
Projection: None
Source of Data: US Census Bureau
Prepared by: Beverly Lorenzana
Collin College Summer 2017

Map was created in the following steps:

1. Downloaded the 2010 Demographic Profile 1 Shapefile and excel spreadsheet from the US Census Bureau website
2. Normalized the population over 65 (DP0070001) with the total population of each state in the US (DP0010001)
3. Displayed the data in percentage with 3 class breaks
